STATE OF MINNESOTA
CAMPAIGN FINANCE AND PUBLIC DISCLOSURE BOARD

COMPLAINT FOR VIOLATION OF THE CAMPAIGN FINANCE
AND PUBLIC DISCLOSURE ACT

Introduction

This complaint alleges a violation of Minnesota Statutes §10A.01 subdivision 18 by the Minnesota DFL Party, DFL Senate Caucus, DFL endorsed Minnesota Senate District 51 candidate Jim Carlson, and the Friends for Jim Carlson committee and/or its agents (collectively referred to as Respondents). On or about September 29, 2012, the Minnesota DFL Party disseminated campaign materials in support of the Jim Carlson campaign. The purported independent expenditure was made with the express or implied consent, authorization, or cooperation of, or in concert with or at the request or suggestion of the DFL endorsed Senate District 51 candidate Jim Carlson, his principal campaign committee Friends for Jim Carlson, and/or its agents (collectively referred to as Carlson). Respondents have violated Chapter 10A, the Campaign Finance and Public Disclosure Act by disseminating campaign materials as independent expenditures that were, in fact, not independent of Carlson.

Facts

Jim Carlson is the DFL endorsed candidate for the Minnesota Senate in Senate District 51. On or about September 29, 2012, the Minnesota DFL Party disseminated literature by U.S. Mail to influence voters to support the Jim Carlson campaign for Minnesota Senate District 51. See, Exhibit A. Several photographs of Jim Carlson appear on the literature. See, Id. The disclaimer identifies the literature as an independent expenditure prepared and paid for by the Minnesota DFL Party. See, Id.

Argument

An independent expenditure requires that the expenditure be made “without the express or implied consent, authorization, or cooperation of, and not in concert with or at the request or suggestion of, any candidate or any candidate's principal campaign committee or agent.” Minnesota Statutes, §10A.01, subd. 18. The Board has emphasized that there must be a high wall of separation between the party unit and its candidates if the party unit's expenditures are to qualify as independent expenditures. See, Findings and Order in the Matter of the Complaint of Bob Murray regarding House District 54A Republican Party of Minnesota and Citizens for (Mark) Fotsch.

It is apparent that all of the photographs in which Jim Carlson is a subject in the literature were taken with the active participation of Mr. Carlson. See, Exhibit A. Searches for photographs of Jim Carlson, including his official campaign website, facebook, flickr, and google images, reveal that photographs used in the purported independent expenditure are not publicly available. See, Exhibit B, C, D, and E. The Minnesota DFL Party's use of photographs that are unavailable to the general public is strong evidence that the expenditures were made with the express or implied consent, authorization, or cooperation of, or in concert with or at the request or suggestion of Carlson. The Minnesota DFL Party did not maintain the necessary high wall of separation from

Carlson. As a result, the expenditures do not qualify as an independent expenditure and should be found to be in violation of Minnesota Statutes, §10A.01.

The criteria for independence cannot be maintained even if the photographs are remotely available. The Board has found that it does not require active approval of the expenditure by a candidate or agent to defeat the independence requirement. See, Findings and Order in the matter of the complaint of Arvid Dixen regarding Philip Krinkie. Even implied consent, resulting from action or inaction, can change the character of the expenditure to an approved expenditure. See, *Id.* In the case of the photographs of Jim Carlson, if the photographs are publicly available they are in an obscure location, and it would require the Minnesota DFL Party or the DFL Senate Caucus to get implied consent, authorization, or cooperation of, or action in concert with or at the request or suggestion of Carlson to locate them. Therefore, even if the photographs are available in some form, approval or acquiescence defeating independence would still be required from Carlson for the photographs to be featured on expenditures paid for by the Minnesota DFL Party.

Further evidence that the expenditures were made with the express or implied consent, authorization, or cooperation of, action in concert with or at the request or suggestion of Carlson is apparent by examining the photographs. One individual at the table is recognizable as Matthew Parris. See, Exhibit A. Mr. Parris identifies himself as the Deputy Field Director and Candidate Services for the Minnesota DFL Senate Caucus and is recorded in campaign finance reports as being on payroll with the DFL State Central Committee. See, Exhibit F and G. The reports reveal that Mr. Parris started receiving regular compensation from the DFL State Central Committee in the month of June. See, Exhibit G. The DFL Senate Caucus reported spending \$547.99 on camera equipment also in the month of June. See, Exhibit H. The cumulative facts suggest that Mr. Parris and Mr. Carlson met to coordinate efforts on supposed independent expenditures. The necessary high wall of separation simply cannot be maintained when representatives of the DFL Senate Caucus and the DFL State Central Committee are literally in the room with Mr. Carlson as the purported independent expenditures are being produced.

Conclusion

Photographs of Minnesota Senate District 51 candidate Jim Carlson are on campaign material identified as independent expenditures approved and paid for by the Minnesota DFL Party. The facts demonstrate a coordination of effort between Carlson, the DFL Senate Caucus and the Minnesota DFL Party. As a result, the expenditures do not qualify as an independent expenditure and should be found to be in violation of Minnesota Statutes, §10A.01. It is requested that the Board provide appropriate relief and penalties as prescribed by law.

Jim stands with us!

Dear Friends:

Paul Wellstone said: *"Some people run for office because they want to be somebody and some run because they want to do something."*

I want to return to the Minnesota Senate to do something for you. As your former Minnesota State Senator I did that. Fighting to defend those values that make Minnesota great was central to everything I did. It has become increasingly clear to me that there is simply much more to do. That is why I am in this race and that is why I am asking you to please join our team to re-take the Senate seat.

If you stand with me today, I promise I will spend this entire campaign - and my time in the Senate - standing for you and with you.

Education

An investment in education is an investment in the future growth of our state and nation. Research has shown that investment in early childhood education is the best, most efficient policy with the greatest return. If our children are to compete in the global marketplace, we need to continue our state's legacy of having the best education system in the nation. Jim will make it a top priority to relieve skyrocketing college tuition costs.

Honest, Active Leadership

Jim stands for honest, active leadership. He understands that doing the people's business requires a full-time commitment. Minnesotans deserve a strong voice in the State Senate.

Jobs and Economic Growth

We have to invest in creating a strong economic infrastructure that includes the University of Minnesota, research and development, scientific innovation, and business expansion. Jim will work creatively to promote and develop new economic opportunities in Minnesota. He believes that a rising tide must lift all boats, and a growing economy must create family-supporting jobs to expand the middle class.

Transportation and Infrastructure

Citizens and businesses are demanding a real commitment to our district's infrastructure. Jim will be a strong voice for innovative solutions to reduce congestion and adequately fund roads

Fiscal Responsibility

Honest government means honest accounting of real needs and resources. Jim supports pay as you go government, not gimmicks, not smoke-and-mirrors accounting. Our children cannot succeed carrying a mountain of debt.

Property Taxes

Homeowners and property owners deserve a strong voice in state government. Jim will fight for a fair and equitable solution to the property tax problem to reduce the burden on working families.

Health Care

Rising health care costs are one of the greatest threats to our economy and Minnesota families:

High health care costs are one of the greatest threats to our economy and Minnesota families, those costs are destroying the ability of American companies to compete in the international marketplace. Jim will work for creative reforms to make the health care system work for all Minnesotans.
