Give the statutory cite to the section of Chapter 10A, Chapter 211B, or Minnesota Rules you believe has been violated:

211B.15, subd. 2

You will find the complete text of Chapter 10A, Chapter 211B, and Minnesota Rules chapters 4501 - 4525 on the Board's website at www.cfboard.state.mn.us.

Nature of complaint

Explain in detail why you believe the respondent has violated the campaign finance and public disclosure laws. Attach an extra sheet of paper if necessary. Attach any documents, materials, minutes, resolutions, or other evidence to support your allegations.

Chilson Holdings Inc, owners of property located at 119 Central Ave in Buffalo, MN 55313 violated Minn. Statute 211.15 subd.2 when the corporation allowed a campaign sign for Senator Bruce Anderson to be placed on property owned and controlled by the corporation.

I refer to a decision posted in Administrative Law Archives #0320-30071, In the Matter of Ken Tschumper v. Greg Davids et al. Date of finding: October 29, 2012

Attached to this complaint you will find photographic proof of sign placement, proof of ownership via a Wright County Property Tax Statement and a "Business Record Detail" from the Minnesota Secretary of State indicating that Chilson Holdings Inc is a Minnesota corporation.

I lodge this complaint against both Senator Bruce Anderson and Chilson Holdings Inc, and ask the Campaign Finance Board of Minnesota to issue findings against both parties.

Minnesota Statutes section 10A.022, subdivision 3, describes the procedures required for investigating complaints. A full description of the complaint process is available on the Board's website.

Briefly, the Board will notify you when it has received your complaint. The Board must send a copy of the complaint to the respondent. Complaints and investigations are confidential. Board members and staff cannot talk about an investigation except as required to carry out the investigation or to take action in the matter. After the Board issues a decision, the record of the investigation is public.

The law requires a complaint to go through two stages before the Board can begin an investigation: a prima facie determination and a probable cause decision. If the complaint does not pass one of the stages, it must be dismissed.

The Board has 10 business days after receiving your complaint to determine whether the complaint is sufficient to allege a prima facie violation of the campaign finance laws. If the Board determines that the complaint does allege a prima facie violation, the Board has 45 days to decide whether probable cause exists to believe a violation that warrants a formal investigation has occurred. Both you and the respondent have the right to be heard on the issue of probable cause before the Board makes this decision. The Board will notify you if the complaint moves to the probable cause stage.

If the Board determines that probable cause does not exist, the Board will dismiss the complaint. If the Board determines that probable cause exists, the Board will start an investigation. The Board will send you monthly updates regarding the status of the investigation. At the end of the investigation, the Board will offer you and the respondent the opportunity to be heard before the Board makes a final decision.

In most cases, the Board will issue findings, conclusions, and an order as its decision. For a spending or contribution limits violation, the Board can enter into a conciliation agreement with the respondent instead of issuing findings, conclusions, and an order. The Board's final decision will be sent to you and posted on the Board's website.

Nature of complaint

Explain in detail why you believe the respondent has violated the campaign finance and public disclosure laws. Attach an extra sheet of paper if necessary. Attach any documents, materials, minutes, resolutions, or other evidence to support your allegations.

Elsenpeter Auctions & Real Estate, Inc. and Double H Properties LLP, the owners, operators and controllers of real property located at 8025 State Hwy 25 NE in Monticello, MN 55362 violated Minn. Statute 211B.15, subd.2 when the corporation/LLP allowed a political campaign sign for Senator Bruce Anderson to be placed on their property.

I refer to decisions posted in MN Administrative Law Archives #0320-30071 & 0320-30064, Ken Tschumper v. Greg Davids et al. Dates of findings: 10/29/2012 & 10/19/2012.

Attached to this complaint you will find photographic proof of sign placement, proof of ownership via a Wright County Property Tax Statement and a "Business Record Detail" from the MN Secretary of State indicating that Elsenpeter Auctions and Real Estate Inc. and Double H Properties LLP are legal, active Minnesota business entities.

This complaint against Elsenpeter Auctions & Real Estate Inc. and Double H Properties LLP is the first of two. I have also filed a complaint against MN House Rep Marion O'Neill for placing a political sign on the same property. I have labeled the Senator Anderson complaint as 6A, and the Marion O'Neill complaint as 6B.

I lodge this complaint against both Senator Bruce Anderson and the business entities of Elsenpeter Auctions & Real Estate, Inc. and Double H Properties LLP. I ask the Minnesota Campaign Finance Board to issue findings against both Senator Anderson and the business entities.

Nature of complaint

Explain in detail why you believe the respondent has violated the campaign finance and public disclosure laws. Attach an extra sheet of paper if necessary. Attach any documents, materials, minutes, resolutions, or other evidence to support your allegations.

Insurance Brokers of MN Inc. located at 1014 Hwy 55 E, Buffalo, MN 55313 violated Minn. statute 211B.15, subd 2 when the Corporation allowed a political campaign sign for Senator Bruce Anderson to be placed on property controlled by the corporation. The property is owned by Michael Zumbusch who in turn owns Insurance Brokers of MN Inc.

I refer to decisions posted in MN Administrative Law Archives #0320-30071 & 0320-30064, Ken Tschumper v. Greg Davids et al. Findings dated 10/29/2012 & 10/19/2012.

Attached to this complaint you will find photographic proof of sign placement, proof of ownership via a Wright County Property Tax Statement and a "Business Record Detail" from MN Secretary of State indicating that Insurance Brokers of MN Inc. is a legal, active MN entity.

I lodge this complaint against both Senator Bruce Anderson and Insurance Brokers of MN inc., and ask the Campaign Finance Board of Minnesota to issue findings against both parties.

Minnesota Statutes section 10A.022, subdivision 3, describes the procedures required for investigating complaints. A full description of the complaint process is available on the Board's website.

Briefly, the Board will notify you when it has received your complaint. The Board must send a copy of the complaint to the respondent. Complaints and investigations are confidential. After the Board issues a decision, the record of the investigation is public.

The law requires a complaint to go through two stages before the Board can begin an investigation: a prima facie determination and a probable cause decision. If the complaint does not pass one of the stages, it must be dismissed.

The Board has 10 business days after receiving your complaint to determine whether the complaint is sufficient to allege a prima facie violation of the campaign finance laws. If the Board determines that the complaint does allege a prima facie violation, the Board has 45 days to decide whether probable cause exists to believe a violation that warrants a formal investigation has occurred. Both you and the respondent have the right to be heard on the issue of probable cause before the Board makes this decision. The Board will notify you if the complaint moves to the probable cause stage.

If the Board determines that probable cause does not exist, the Board will dismiss the complaint. If the Board determines that probable cause exists, the Board will start an investigation. The Board will send you monthly updates regarding the status of the investigation. At the end of the investigation, the Board will offer you and the respondent the opportunity to be heard before the Board makes a final decision.

In most cases, the Board will issue findings, conclusions, and an order as its decision. For a spending or contribution limits violation, the Board can enter into a conciliation agreement with the respondent instead of issuing findings, conclusions, and an order. The Board's final decision will be sent to you and posted on the Board's website.

Give the statutory cite to the section of Chapter 10A, Chapter 211B, or Minnesota Rules you believe has been violated:

211B.15, subd.2

You will find the complete text of Chapter 10A, Chapter 211B, and Minnesota Rules chapters 4501 - 4525 on the Board's website at www.cfboard.state.mn.us.

Nature of complaint

Explain in detail why you believe the respondent has violated the campaign finance and public disclosure laws. Attach an extra sheet of paper if necessary. Attach any documents, materials, minutes, resolutions, or other evidence to support your allegations.

Kjellberg's Inc., owners of property located at 9127 Hwy 25 NE, Monticello MN 55362 violated Minn. statute 211B.15, subd.2 when the corporation allowed a political campaign sign to be placed on property owned and controlled by the corporation.
I refer to decisions posted in MN Administrative Law Archives #0320-30071 & #0320-30064, Ken Tschumper v. Greg Davids et al. Findings dated 10/29/2012 & 10/19/2012.
Attached to this complaint, you will find photographic proof of sign placement, proof of ownership via a Wright County Property Tax Statement and "Business Record Details" from MN Secretary of State indicating that Kjellberg's Inc. is a legal, active MN Corporation. Kjellberg's Inc has 3 property ID's, all owned by the Corporation. Kjellbergs also owns 3 corporations; in any case one of the three corporations owns one of the 3 properties.
This complaint against Kjellberg's Inc. is the first of two. I am also filing against MN Representative Marion O'Neil for having a political sign on the same property. I have labeled the Anderson complaint as 4A and the O'Neil complaint as 4B.
I lodge this complaint against both Senator Bruce Anderson and Kjellberg's Inc., and ask the Minnesota Campaign Finance Board to issue findings against both parties.

Minnesota Statutes section 10A.022, subdivision 3, describes the procedures required for investigating complaints. A full description of the complaint process is available on the Board's website.

Briefly, the Board will notify you when it has received your complaint. The Board must send a copy of the complaint to the respondent. Complaints and investigations are confidential. Board members and staff cannot talk about an investigation except as required to carry out the investigation or to take action in the matter. After the Board issues a decision, the record of the investigation is public.

The law requires a complaint to go through two stages before the Board can begin an investigation: a prima facie determination and a probable cause decision. If the complaint does not pass one of the stages, it must be dismissed.

The Board has 10 business days after receiving your complaint to determine whether the complaint is sufficient to allege a prima facie violation of the campaign finance laws. If the Board determines that the complaint does allege a prima facie violation, the Board has 45 days to decide whether probable cause exists to believe a violation that warrants a formal investigation has occurred. Both you and the respondent have the right to be heard on the issue of probable cause before the Board makes this decision. The Board will notify you if the complaint moves to the probable cause stage.

If the Board determines that probable cause does not exist, the Board will dismiss the complaint. If the Board determines that probable cause exists, the Board will start an investigation. The Board will send you monthly updates regarding the status of the investigation. At the end of the investigation, the Board will offer you and the respondent the opportunity to be heard before the Board makes a final decision.

In most cases, the Board will issue findings, conclusions, and an order as its decision. For a spending or contribution limits violation, the Board can enter into a conciliation agreement with the respondent instead of issuing findings, conclusions, and an order. The Board's final decision will be sent to you and posted on the Board's website.

Give the statutory cite to the section of Chapter 10A, Chapter 211B, or Minnesota Rules you believe has been violated:

211B.15, subd.2

You will find the complete text of Chapter 10A, Chapter 211B, and Minnesota Rules chapters 4501 - 4525 on the Board's website at www.cfboard.state.mn.us.

Nature of complaint

Explain in detail why you believe the respondent has violated the campaign finance and public disclosure laws. Attach an extra sheet of paper if necessary. Attach any documents, materials, minutes, resolutions, or other evidence to support your allegations.

Maverick Development Inc., a Minnesota corporation operating Culver's Restaurant at 500 E. Hwy 55 in Buffalo, MN 55313. violated Minn Statute 211B.15, subd.2 when the corporation allowed a political sign for Senator Bruce Anderson to be placed on property controlled by Maverick Development Inc.

I refer to decisions posted in MN Administrative Law Archives #0320-30071 & #0320-30064, Ken Tschumper v. Greg Davids et al. Date of findings: 10/29/2012 & 10/19/2012.

Attached to this complaint you will find photographic proof of sign placement, proof of ownership via a Wright County Property Tax Statement and a "Business Record Detail" from MN Secretary of State indicating that Maverick Development Inc. is a legal, active MN entity. The property identified in this complaint is owned by Mark Largent Trust. Mark Largent is also CEO of Maverick Inc, the corporation that controls and operates Culver's Restaurant.

This complaint against Maverick Development Inc. is the first of two. I am also filing a complaint against MN Rep Marion O'Neill for having a political sign on the same property. I have labeled the Bruce Anderson complaint as 5A and the Marion O'Neill complaint as 5B.

I lodge this complain against both Senator Bruce Anderson and Maverick Development inc., and ask the Minnesota Campaign Finance Board to issue findings against both parties.

Minnesota Statutes section 10A.022, subdivision 3, describes the procedures required for investigating complaints. A full description of the complaint process is available on the Board's website.

Briefly, the Board will notify you when it has received your complaint. The Board must send a copy of the complaint to the respondent. Complaints and investigations are confidential. Board members and staff cannot talk about an investigation except as required to carry out the investigation or to take action in the matter. After the Board issues a decision, the record of the investigation is public.

The law requires a complaint to go through two stages before the Board can begin an investigation: a prima facie determination and a probable cause decision. If the complaint does not pass one of the stages, it must be dismissed.

The Board has 10 business days after receiving your complaint to determine whether the complaint is sufficient to allege a prima facie violation of the campaign finance laws. If the Board determines that the complaint does allege a prima facie violation, the Board has 45 days to decide whether probable cause exists to believe a violation that warrants a formal investigation has occurred. Both you and the respondent have the right to be heard on the issue of probable cause before the Board makes this decision. The Board will notify you if the complaint moves to the probable cause stage.

If the Board determines that probable cause does not exist, the Board will dismiss the complaint. If the Board determines that probable cause exists, the Board will start an investigation. The Board will send you monthly updates regarding the status of the investigation. At the end of the investigation, the Board will offer you and the respondent the opportunity to be heard before the Board makes a final decision.

In most cases, the Board will issue findings, conclusions, and an order as its decision. For a spending or contribution limits violation, the Board can enter into a conciliation agreement with the respondent instead of issuing findings, conclusions, and an order. The Board's final decision will be sent to you and posted on the Board's website.

Nature of complaint

Explain in detail why you believe the respondent has violated the campaign finance and public disclosure laws. Attach an extra sheet of paper if necessary. Attach any documents, materials, minutes, resolutions, or other evidence to support your allegations.

Randy's Rental LLC and/or Randy's Sanitation Inc., owners of property located at 4351 US Hwy 12 SE in Delano, MN 55328 violated Minn. Statute 211B.15, subd.2 when the LLC/Corporation allowed a campaign sign for Senator Bruce Anderson to be placed on property owned and controlled by the corporate entities.

I refer to decisions posted in MN Administrative Law Archives #0320-30071 and #0320-30064, Ken Tschumper v. Greg Davids et al. Findings dated 10/29/2012 & 10/19/2012.

Attached to this complaint you will find photographic proof of sign placement, proof of ownership via a Wright County Property Tax Statement and a "Business Record Detail" from the MN Secretary of State indicating that Randy's Rental LLC and Randy's Sanitation Inc. are legal, active Minnesota entities.

This complaint against Randy's Rental LLC and Randy's Sanitation Inc. is the first of two. I am also filing against MN Representative Joe McDonald for having a political sign on the same property. I have labeled the Anderson complaint as 2A, the McDonald complaint as 2B.

I lodge this complaint against both Senator Bruce Anderson and Randy's Rentals LLC/Randy's Sanitation Inc., and ask the Campaign Finance Board of Minnesota to issue findings against both parties.

Minnesota Statutes section 10A.022, subdivision 3, describes the procedures required for investigating complaints. A full description of the complaint process is available on the Board's website.

Briefly, the Board will notify you when it has received your complaint. The Board must send a copy of the complaint to the respondent. Complaints and investigations are confidential. After the Board issues a decision, the record of the investigation is public.

In most cases, the Board will issue findings, conclusions, and an order as its decision.
